2

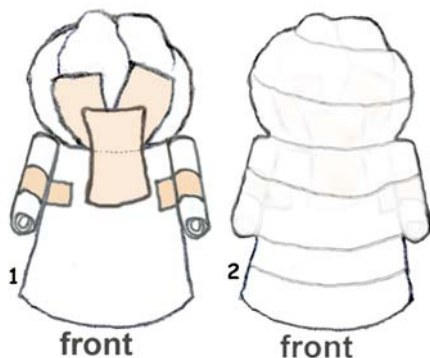

3

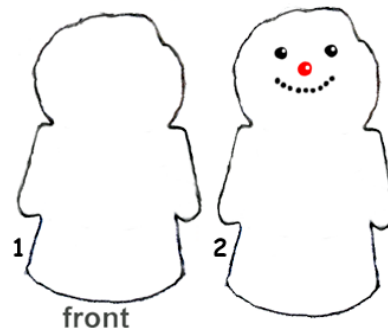

Make a tight ball of newspaper just slightly wider than the base of the cup. Fasten with masking tape.

Fasten the head shape to the cup with masking tape, both back and front until it feels secure.

Tightly roll a square of newspaper that is long enough to make two arms for the snowman, fasten with tape. Cut the roll at the centre as shown.

5

Fig1. Fasten the arms to the cup, one at each side.
Fig2. Tear tissue into small strips and lightly glue to cover the whole figure.

Fig1. When the glue is dry, paint the figure white.
Fig2. When the paint is dry draw the face with felt tip pens.

6

Fig1. Tie on a scarf made from folded tissue and dab with glue to fix.
Fig2. Paint on a hat with a bobble made from tissue, and paint the scarf.
